

COWORKING OPTIONS AND MEMBERSHIPS

Whether you're a freelancer, entrepreneur, or remote worker, **The Generator at Bounce** is where big ideas come to life, and collaboration knows no bounds.

Located on the first and second floors of Bounce Innovation Hub, The Generator offers a variety of coworking membership and workspace options tailored to meet your needs and budget. These include open table spaces, "phone booths" for privacy, reserved desks, private offices, and meeting rooms.

Beautifully designed and inspiring spaces create the ideal atmosphere for creativity, collaboration, and productivity. Focus on an important assignment, network with other professionals, meet with a client, or relax and enjoy beverages and food items from the Akron Coffee Roasters Coffee Lab as you catch up on your email and enjoy local artwork. The Generator at Bounce is a unique blend of community and a professional environment that will help you to thrive and bring out your best work.

MONTHLY MEMBERSHIP OPTIONS

Bounce provides two floors of vibrant coworking space and three flexible monthly membership options to suit different needs, work styles, and space requirements. All monthly memberships include 24/7 access, parking, printing credits, conference room credits, event space discounts, a personal business mailing address, gender-neutral bathrooms, high-speed secured Wi-Fi, an on-site team, and a month-to-month commitment with 15-day written notice to cancel.

COWORKER

\$150/MONTH
(Open Space)

A coworking membership offers more than just a desk. It provides a flexible, inspiring workspace to boost productivity, foster creativity, and enhance networking opportunities. You can focus on your work without the distractions of a home office or the isolation of working alone. Whether you're a freelancer, entrepreneur, or part of a small team, a coworking membership helps you work smarter and stay inspired.

RESERVED DESK

\$250/MONTH
(Reserved Space)

With a reserved desk membership, you have a permanent desk space and a business address you can use to register your business. There's no need to worry about finding a suitable spot each day; it's always ready for you. Plus, you can personalize your space with your favorite decor, reflecting your unique style. A reserved desk includes a private desk, privacy partitions, a locking filing cabinet, and a desk chair.

PRIVATE OFFICES

\$500/MONTH & UP
(Reserved Space)

A private office is ideal for professionals who want a balance of privacy and community. Fully equipped with high-speed internet, office furniture, and flexible membership terms, they eliminate the overhead costs of traditional office leases. Whether managing confidential projects, conducting meetings, or simply seeking an environment free from distractions, a private office provides a secure and dedicated area to thrive.
